This meeting was called to order at 7:02 p.m.

Roll Call: Commissioner Lani Jones, Commissioner Cherie Kausler, Commissioner Samn Diller, Commissioner Dan Davenport, Commissioner Robert Burton, Commissioner Jocelyn Jones, Commissioner Edwin Baird, and City Administrator Doug Wiggins.

The minutes for the March Planning were passed with Commissioner Jocelyn Jones motioning and Commissioner Burton second with the name correction on Commissioner Diller's first name.

There was not any old business.

Under new business was a review of CUP 18-03, Joseph (Extension). CA Wiggins stated the commissioner approved this conditional use permit in May of 2018. We issued a permit to Mr. Joesph, to have a camper parked on his lot and have his son live in it. Somehow it fell through to remind us to go over it so they got one year free. It was due in May of 2019, he is asking for 1-year extension. His son is working on building a house. They are having a hard time. They are still working on moving in that direction. They are trying to get finances in order. He submitted a letter explaining his request.

During commissioner's deliberations, the Commissioner's agreed that this would be a hard time to take their permit away with COVID-19. They also discussed the need for a plan at the next review so that this situation progresses towards the building of the home.

Commissioner Burton motioned to approve the one-year extension. Commissioner Lani Jones second, the motion passed unanimously.

There was not any public comment.
